No wedding has taken place in Mason county for a long time that has awakened more interest than that of Squire John Cochran and Miss Beanie E. Allison. It is to be hoped that this may be the turning point in a long period of matrimonial stagnation, as it was asserted yesterday that this was the seventh wedding in seventeen years in this particular vicinity. There are a number of eligible bachelors in the Washington neighborhood who will be looked upon to continue the good work.

Hon. John C. Wood of Mt. Sterling is being spoken of as the Republican nominee for Clerk of the Court of Appeals.

THEY DIDN'T COME!

Crowd Disappointed Over Non-Arrival of Farrow Assaultants.

It was noised about yesterday that Tom Manns, Ed. Morris and Charles Sanders, who are charged with the attempted murder of Mr. John B. Farrow, a respected resident of the Mt. Gilead neighborhood, would be brought here on last night's train from Covington.

Towards train time a number of country people had collected at the C. and O. Station and along the streets between the Station and the Jail, and they were supplemented by quite a gathering of city folk.

Of course, there was the usual talk of a "mob," but the prisoners were not on the train, and the crowd was disappointed.

CARLISH—CONRAD.

Mr. Edward L. Carlish of Cincinnati and Miss Emma Peed Conrad were married last evening at 8 o'clock at the home of the bride in Flemingsburg, the Rev. Mr. Grinstead officiating.

The groom is the son of Mr. and Mrs. Jacob Carlish of Forest avenue but for some years has made his home in Cincinnati.

His bride, a very worthy young lady, is well known here, where she has often visited.

Mr. and Mrs. Jacob Carlish, Jr., and Miss Anna Carlish, from Maysville, Mrs. Thomas R. Millbush of Portsmouth and Mrs. Louis Kapps and Mrs. George Hughes of Cincinnati were guests at the wedding.

COCHRAN—ALLISON.

Yesterday at high noon at the Presbyterian Church at Washington, Mr. John R. Cochran and Miss Beanie E. Allison, daughter of Mr. and Mrs. Thomas Allison, were united in matrimony by Rev. F. M. Spears.

Rev. Musselman acted as the groom's best man and Miss Jessie Allison, twin sister of the bride, as Maid of Honor.

Misses Mamie Key, Ida Allison, Edna Hunter and Alberta Glascock were the bridesmaids.

Messrs. Charles Rhoades, R. L. Hoeflich, Robert Allison and Gordon Asbury acted as ushers and attendants.

The Church was illuminated by numerous lamps and was handsomely decorated for the occasion.

An arch bedecked with lilies, from the center of which was suspended a bridal bell, was one of the decorations.

The rear of the pulpit was decorated with roses and other flowers of bright colors, making a most beautiful scene.

Mrs. Ed. Geisel presided at the organ.

Both the bride and groom are natives of Mason county and are connected with the prominent families of this section. Miss Allison is a young woman of many accomplishments, and a social favorite.

The groom is one of the most promising young men in the county and enjoys the highest respect of all who know him. He is a member of the Mason Fiscal Court, a man of fine business qualifications, and eminently successful in his undertakings.

After the ceremony Mr. and Mrs. Cochran left for a ten day's trip, after which they will be at home at the residence of the groom on the Hill City Pike.

Quite a number of Maysville people attended the wedding and among those from a distance were Mrs. Holderly and daughter, Mrs. Dr. L. T. Vinson, of Huntington, W. Va., who are the guests of Mrs. Vinson's aunt, Mrs. D. K. Hunter of Washington.

Be sure of Obtaining For Catarrh That Contains Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces, such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and is made in Toledo, O., by F. J. Cheney & Co. Testimonials free.

Sold by Druggists, price 75c. per bottle. Hall's Family Pills are the best.

REPUBLICAN STATE CONVENTION.

LOUISVILLE, KY., May 14, 1908.

At a meeting of the Republican State Central Committee, held this day, it was ordered that a State Convention of Delegates be held at the Auditorium, in the city of Louisville, on Wednesday, July 15th, 1908, at 2 o'clock p. m., for the purpose of nominating candidates of the Republican party for the state offices to be filled at the election November, 1908, viz: Governor, Lieutenant-Governor, Treasurer, Auditor, Commissioner of Agriculture, Labor and Statistics, Secretary of State, Attorney General, Superintendent of Public Instruction, Clerk of the Court of Appeals.

Delegates to said Convention shall be chosen by the people of the several counties of the state, in Mass Convention assembled, at the county seats thereof, on Saturday, July 11th, 1908. The County Conventions shall be convened at 2 o'clock p. m.

The Chairmen of the County Committees shall issue a call, in conformity herewith, for said County Conventions, and publish the same, stating the place at which in their county seats the Conventions will be held by posting a copy of said call at their county Courthouse at least fifteen days prior to July 11th, 1908.

The basis of representation in the State Convention shall be one Delegate for each 100 votes or fraction over 50 votes cast for the Republican Presidential Electors in November, 1900. Upon this basis of representation the number of Delegates to said Convention is 2308 and is apportioned to the counties of this Congressional District as follows:

Bath	17	Lawrence	21
Boyd	20	Lewis	23
Bracken	24	Nelson	25
Carter	14	Nicholas	13
Fleming	21	Robertson	5
Greenup	20	Rowan	9
Harrison	18		

R. L. Gwathmey, Secretary. C. M. Barnett, Chairman.

The Republicans of Kentucky, aided by independent Democrats, can most profitably apply themselves to rescuing the state from the political ring that is now in the saddle at Frankfort, and letting the Administration at Washington take care of itself.

The Democratic State Executive Committee has tabulated the vote cast in the state primary of May 9th. The vote cast for Governor BECKHAM was 104,638 and the scattering votes for HENDRICK and others bring the total up to 105,000; the whiteness of which is that it looks very much like a very few Kentucky Democrats did not cast their votes for BECKHAM.

A new Lodge of Oddfellows was organized last evening at Georgetown.

The indictments against John Brisbois and John W. Eitel have been filed away in the Circuit Court.

GRAND JURY REPORTS.

Five Indictments Returned Yesterday by This Body.

The Grand Jury yesterday returned indictments against—
John Boughner, robbery.
Peggy Haddon, robbery.
Mary E. Gifford, murder.
Mary E. Gifford, concealing birth of bastard child.
Charles J. Winkler, bigamy.

CLAIMS BIG DAMAGES.

C. B. Clift Wants \$10,000 For Injuries From Cincinnati People.

A suit was entered in the Superior Court at Cincinnati Tuesday for \$10,000 damages against the Union Savings Bank and Trust Company by Charles B. Clift, who says that the negligence and inexperience of some of the elevator men were responsible for an accident of which he was the victim, on May 22d.

He says he asked to be let off the elevator at the tenth floor, and as he started out the elevator cab suddenly shot upward, and he was thrown to the marble floor of the hall.

Both bones of his forearm were broken and he was badly bruised. Mr. Clift is a former Maysville man.

ELKS DOINGS.

Number of Visitors at Meeting of Local Order Last Night.

The membership of Maysville Lodge No. 704, B. P. O. E., was increased by four last evening when Hon. W. G. Dearing of Flemingsburg and Messrs. H. D. Ellis, T. F. Bagby and Lawrence Yager of Vanceburg were taken in.

The following visitors from neighboring points were in attendance.

Flemingsburg—Hord Armstrong, J. J. Reynolds, H. Harbison, Prof. T. A. Luman and Dr. Harry Dudley.

Vanceburg—Ed Armstrong and William Gropenbecker.

Augusta—C. F. Hook and Isaac Reynolds. Tuckahoe—B. B. Holton and W. W. Boulden. Louisville—R. P. Calther and C. D. Russell. The work was followed by a smoker in the Lodge room.

The Paris Democrat is of the opinion that ALLIE YOUNG, the Present Editor and Proprietor of Kentucky's Present Democratic Party, has Actually Done Some Things that are Not Democratic. And the Band Played "Sweet Marie."

AND CURT JETT is to be tried in another county before another Court than Judge REDWINE'S. And REDWINE was a party to this "change of venue." And Judge REDWINE's brother happens to be the Prosecuting Attorney of the Court to which the trial is transferred. And does it require a diagram to "figger" it out?

In advising against the adoption by the coming July Republican State Convention of a resolution indorsing President ROOSEVELT, The Louisville Herald wisely remarks—

"The adoption of a resolution indorsing TWEEDMORE ROOSEVELT is not of vital moment to Kentuckians at this juncture. Like all other Republicans of the country generally, they believe his nomination inevitable and fully deserved by the services he has rendered and by the record he has made. The adoption of such a resolution as expressing the views of the party in this state would not, we imagine, excite much opposition. But it seems unnecessary to put it in the platform."

"The Republican platform this year should be addressed to Kentuckians on issues vital to this state. It should be a document to appeal to every intelligent and patriotic voter of whatever party. The questions to be settled in November affect us wholly here at home and have no reference to National issues. It will be a Republican platform, but it need not deal with the politics of another year."

Political Pickings

BRADLEY KNOWS!

Louisville Evening Post.

Governor Bradley says he expects to see Mr. Willson elected Governor, and The Evening Times says the Governor expects too much. But it is well to remember that in 1895, and again in 1899, the Republican candidates for Governor were elected. In 1900 Yerkes was beaten by only 3,500, with every election precinct in the hands of the Democrats. It is for the Republicans to deserve success, and they will win it.

PROVE ALL THINGS!

Maysville People Look for Proper Proof.

To win a wager, an English Marquis stood on London Bridge and offered British sovereigns (\$5) for live shillings (\$1.25). He could not find a customer. It's not to be wondered at; the public look askance at any proposition where the proposer is apparently a financial loser, without any direct or indirect gain. Fraudulent schemers have often been successful and in these days skeptics want better proof than the word of a stranger. No evidence can be stronger than the testimony of friends and neighbors of people we know. Here is a case of it:

Mrs. James Molen of 219 Lee street who says:

"Our son was greatly troubled with his kidneys and although he used many remedies nothing brought lasting relief. We learned about Doan's Kidney Pills and his father went to J. Jas. Wood & Son's Drugstore on West Second and Market streets and got a box for him. Its use proved its great value. We most heartily recommend Doan's Kidney Pills to others suffering from kidney ailments."

His Last Hope Realized.

From The Sentinel, Cebu, Montana.

In the first opening of Oklahoma to settlers, in 1890 the Editor of this paper was among the many seekers after fortune who made the big race one fine day in April. During his traveling about and afterwards his camping upon his claim he encountered many bad water, which, together with the severe heat, gave him a very severe diarrhea, which it seemed almost impossible to check, and along in June the case became so bad he expected to die. One day one of his neighbors brought him one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a last hope. A big dose was given him while he was rolling about on the ground in great agony, and in a few minutes the dose was repeated. The good effect of the medicine was soon noticed and within an hour the patient was taking his first sound sleep for a fortnight. That one little bottle worked a complete cure and he cannot help but feel grateful. The reason for bowel disorders being at hand suggests this item. For sale by Jas. J. Wood & Son, Druggists.

Some of the Wiggins ferry engineers, who lost their licenses in consequence of the recent strike, have made statements to the Government Inspectors admitting that they did wrong and have applied for examination for new licenses. The Board of Supervising Inspectors of Steam Vessels will meet at Washington City, and one of the items of interest that will be heard by it will be an appeal from river navigators asking that the rules and regulations governing ocean and lake navigation be separated from those governing river navigation. If the predictions of Prof. Marsh, the famed weather prophet of the North Ohio region, should prove to be correct, it would be well for owners of floating property, farms and orchards in this region to be getting ready for a "warm time" within the next few days. He says the month of June will be a hot one. Between the 8th and 15th a hot wave covering the entire country, followed by heavy rain, severe wind and lightning. Extremely heavy rain, washing away bridges, swelling streams and thus causing great loss in the Ohio Valley. Heavy storms of wind, rain and lightning along the Ohio river valley, at Pittsburgh and headwaters of the Ohio, and over the mountain districts, causing big rises. Between the 17th and 22d heavy rains and high wind at headwaters of the Ohio river valley and throughout the Kanawha and New river districts and mountain regions of Pennsylvania and West Virginia. Sometimes, however, the predictions of Prof. Marsh, like those of the local prophets, do not materialize.

NERVOUS DYSPESIA.
ITS CAUSE AND CURE.

Overwork any organ and it gives out—the stomach is no exception. Ask it to digest anything, everything, at any time in half the time required, and like an over-driven horse, it balks. Nature intended the stomach should have regular hours. A time to work, a time to rest—and when you break up this habit, you upset the whole arrangement. The stomach nerves become exhausted, the glands refuse to act, the food does not digest—lies heavy, ferments and repeats. There is pain, gas forms, bloating occurs, the heart becomes irregular and a nervous irritable feeling sets in. This is nervous dyspepsia and Dr. A. W. Chase's Nerve Pills its cure.

Mr. J. L. Nicholson of No. 508 Limestone street, Maysville, Ky., says: "I was bothered with severe nervousness, sleeplessness, dizziness and indigestion. Hearing of Dr. A. W. Chase's Nerve Pills sold at Chenoweth's Drugstore I decided to try a box. As a result my nervous system is in fine condition. I sleep well and am no longer bothered with those distressing dizzy spells—my appetite and digestion are fine and I feel generally vigorous. I can't recommend Dr. A. W. Chase's Nerve Pills too highly."

50c a box at dealers or Dr. A. W. Chase Medicine Co., Buffalo, N. Y. See that portrait and signature of A. W. Chase, M. D., are on every package.

Many a child has been fooled by the story of the pot of gold which is to be found just at the foot of the rainbow, and has started out to gather riches full of happy dreams. Many a man and woman have been deceived by the tale that there was health to be found out beyond the sunset, and they have started out dreaming of a healthful future, never to be realized.

People who have tried change of climate in vain for the cure of weak lungs have been perfectly and permanently cured by the use of Dr. Pierce's Golden Medical Discovery. It cures deep-seated coughs, bronchitis, bleeding lungs, emaciation, and other conditions which, if neglected or unskillfully treated, find a fatal end in consumption.

"Last spring I had a severe attack of pneumonia which left me with a very bad cough, and also left my lungs in a very bad condition," writes John M. Russell, Esq., of Brent, Cherokee Nat. Ind. Terr. "I had no appetite and was so weak I could scarcely walk. My breast was all sore with running sores. I got two bottles of Dr. Pierce's Golden Medical Discovery, which I believe saved my life. I cannot express my gratitude to you. I am able now to do very good work."

Any substitute offered as "just as good" as "Golden Medical Discovery" is a shadow of that medicine. There are cures behind every claim made for the "Discovery," which no "just as good" medicine can show.

The People's Common Sense Medical Adviser, a book containing 1008 pages, is given away. Send 21 one-cent stamps for expense of mailing only, for the book in paper covers, or 31 stamps for the volume bound in cloth. Address Dr. R. V. Pierce, Buffalo, N. Y.

CLOTHING TALK!

There is something about the Hart, Schaffner & Marx Clothing by which you may identify them even more certainly than the label. It goes into them before the label. It is a style, a quality, a tailored-by-hand touch to them, a harmony of fabrics, trimmings, etc., a thoroughbred look about them never found in other clothing. The fact that we can't define it doesn't make it any less real. You can see it without fully realizing what it is. We can't show it or tell you fully about it until you wear the clothes. Then we won't need to. This incomparable line is for men and confined to us.

But we have provided as well for the boys and children. We invite inspection and comparison of both goods and prices.
OUR MERCHANT TAILORING DEPARTMENT, under the supervision of Mr. Charles F. McNamara, is the only one in the city paying Union prices and having all work done at home. Ask to see one of our made-to-measure Suits. You can get them cheaper elsewhere, but not like ours.
Let us show you our new Shirts, new Hats, new Neckwear, etc., etc.
